## BACKGROUND AND REASONS FOR THE SOLICITATION

Tang Capital has engaged in discussions with the Company and the Board with regards to the strategic direction of the Company. We believe that in order to maximize value for all stockholders, the Company must cease operations immediately, liquidate the Company's assets and distribute all remaining capital to the Company's stockholders.

Since the Company continues to operate as of the date of this Proxy Statement and has not publicly announced any plan of liquidation and dissolution, we believe the Board has rejected our proposal to immediately cease all operations, liquidate the Company's assets and distribute all remaining capital to the Company's stockholders. In light of the foregoing, and in order to preserve and maximize the diminishing value of the Company's assets for the benefit of all stockholders, Tang Capital has nominated Kevin C. Tang and Andrew D. Levin, M.D., Ph.D. for election to the Board at the Annual Meeting and proposed a stockholder resolution to be voted on at the Annual Meeting whereby the stockholders will request that the Company cease operations immediately, liquidate the Company's assets and distribute all remaining capital to the Company's stockholders.

On February 13, 2009, Tang Capital delivered a letter (the "Letter") to the Nominating and Governance Committee of the Company recommending Mr. Tang and Dr. Levin as nominees for election to the Board at the Annual Meeting. On the same date, Tang Capital also delivered a notice (the "Notice") to the Company of its intention to, among other things, nominate Mr. Tang and Dr. Levin for election to the Board and propose the stockholder resolution described herein.

Since delivery of the Letter and Notice, the Board has failed to engage with Tang Capital in a dialogue on the merits of its recommendations. Tang Capital therefore decided to embark on this solicitation of proxies to elect the Nominees and approve the resolution described herein. See the information under the heading "Proposal 1 – Election of Directors" beginning on page • for additional information about the Nominees. Further, Tang Capital believes that the proposed resolution is the best way for the stockholders to let the Board know what the stockholders consider to be the best direction for the future of the Company in a manner that is quantitative, clear and indisputable.

## SHARES OUTSTANDING AND VOTING RIGHTS

Only holders of Common Stock of record at the close of business on • (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. Stockholders who sell shares of Common Stock before the Record Date may not vote such shares at the Annual Meeting. In addition, stockholders who acquire shares of Common Stock after the Record Date may not vote such shares at the Annual Meeting, unless those stockholders obtain a proxy to vote such shares from the stockholder of record on the Record Date. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Holders of record of the Company's Common Stock on the Record Date are entitled to one vote per share at the Annual Meeting on each proposal.

As of the date of this proxy statement, Tang Capital and its affiliates beneficially own an aggregate of 3,965,852 shares of Common Stock, representing approximately 14.9% of the Company's outstanding shares of Common Stock. According to the Company's Annual Report on Form 10-K for the period ending December 31, 2008 there were 26,653,478 shares of the Company's Common Stock outstanding as of March 11, 2009. Tang Capital intends to vote all of the shares it beneficially owns FOR the election of the Nominees and FOR Proposal 2.

## VOTING AND PROXY PROCEDURE

### Quorum

The conduct of business at the Annual Meeting requires a quorum. According to the bylaws of the Company, the holders of a majority of all of the shares of stock entitled to vote at the Annual Meeting, present in person or by proxy, shall constitute a quorum for all purposes. Under applicable law, abstentions and “broker non-votes” count toward the quorum. A “broker non-vote” occurs when shares held of record by a bank, broker or other holders of record for a beneficial owner are deemed present at the meeting for purposes of a quorum, but are not voted on a particular proposal because that record holder does not have discretionary voting power for that particular proposal and has not received voting instructions from the beneficial owner on how to vote on such proposal.

### Proposal 1: Election of Directors

The two nominees for election to the Board who receive the most votes cast in favor of their election at the Annual Meeting (also known as a “plurality” of the votes) will be elected. Abstentions, broker non-votes and withheld votes will have no effect on the outcome of director elections.

With respect to Proposal 1, the accompanying WHITE proxy card will be voted in accordance with the stockholder’s instructions on such WHITE proxy card. Stockholders may vote for the Nominees by marking the proper boxes on the WHITE proxy card. If no instructions are given with respect to this item, the WHITE proxy card will be voted FOR all Nominees.

### Proposal 2: Approval of Stockholder Resolution

Proposal 2 will be approved by the stockholders if the votes cast FOR Proposal 2 exceed the votes cast AGAINST Proposal 2. Abstentions and broker non-votes will have no effect on the outcome of the vote on Proposal 2.

With respect to Proposal 2, the accompanying WHITE proxy card will be voted in accordance with the stockholder’s instructions on such WHITE proxy card. Stockholders may vote on the approval of the stockholder resolution by marking the proper box on the WHITE proxy card. If no instructions are given with respect to this item, the WHITE proxy card will be voted FOR the stockholder resolution.

### Proposal 3: Ratification of Selection of Auditors

Based on information contained in the Company’s proxy statement for the 2008 annual meeting of stockholders, filed with the Securities and Exchange Commission (the “Commission”) on April 2, 2008 (the “2008 Proxy Statement”), it is expected that at the Annual Meeting stockholders will be asked to ratify the appointment by the Board of PricewaterhouseCoopers LLP as the independent auditors of the Company for the year 2009. We are not making any recommendation on this proposal. Please refer to the Company’s proxy statement for the Annual Meeting, when available, for a more detailed discussion of this proposal.

Proposal 3 will be approved by the stockholders if the votes cast FOR Proposal 3 exceed the votes cast AGAINST Proposal 3. Abstentions and broker non-votes will have no effect on the outcome of the vote on Proposal 3.

With respect to Proposal 3, the accompanying WHITE proxy card will be voted in accordance with the stockholder’s instructions on such WHITE proxy card. Stockholders may vote on the ratification of the appointment of PricewaterhouseCoopers LLP by marking the proper box on the WHITE proxy card. If no instructions are given with respect to this item, you will be deemed to have given a direction to ABSTAIN from voting the shares represented by the WHITE proxy card with respect to the ratification of the appointment of PricewaterhouseCoopers LLP.

## **Revocation of Proxies**

Stockholders of the Company may revoke their proxies at any time prior to the vote at the Annual Meeting by attending the Annual Meeting and voting the shares held in their name, or by voting shares pursuant to a “legal proxy” from their nominee holder, in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a properly completed and subsequently dated proxy will also constitute a revocation of any earlier dated proxy. Written notices of revocation may be delivered either to Tang Capital, c/o The Altman Group, its proxy solicitor, at its address set forth on the back cover of this Proxy Statement, or to the Company at Vanda Pharmaceuticals Inc., 9605 Medical Center Drive, Suite 300, Rockville, MD 20850 or any other address provided for the purpose of revoking proxies by the Company. Although a written notice of revocation is effective if delivered to the Company, Tang Capital requests that either the original or photostatic copies of all written notices of revocation be mailed to Tang Capital in care of their proxy solicitor at the address set forth on the back cover of the Proxy Statement so that Tang Capital will be aware of all revocations. Additionally, The Altman Group may use this information to contact stockholders who have revoked their proxies in order to solicit later dated WHITE proxies for the election of the Nominees and the other proposals set forth herein.

## **Other Matters To Be Considered At The Annual Meeting**

Except as set forth above, we are not aware of any matters to be brought before the Annual Meeting. Should other matters properly be brought before the Annual Meeting, the attached WHITE proxy card, when duly executed, will give the proxies named therein discretionary authority to vote on all such other matters and on all matters incident to the conduct of the Annual Meeting.

Execution and delivery of a proxy by a record holder of shares of Common Stock will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

## PROPOSAL 1 – ELECTION OF DIRECTORS

Tang Capital is seeking your support at the Annual Meeting to elect the Nominees. The Board currently consists of seven members who are divided into three classes. We are seeking your support at the Annual Meeting to elect the Nominees in opposition to the two individuals nominated by the Company. If elected, each Nominee would hold office for a term expiring at the 2012 annual meeting of stockholders and will remain in office until his successor has been duly elected and qualified (or until the director's death, resignation or removal).

Set forth below are the name, age, business address, present principal occupation, employment history and directorships of publicly held companies of each Nominee for at least the past five years. Each of the Nominees is a citizen of the United States of America. Each of the Nominees is independent under the independence standards applicable to the Company under paragraph (a)(1) of Item 407 of Regulation S-K.

*Kevin C. Tang.* Kevin C. Tang, is the Managing Director of Tang Capital Management, LLC, an investment firm focused on the health care industry that he founded in August 2002. From September 1993 to July 2001, Mr. Tang held various positions at Deutsche Banc Alex. Brown, Inc., an investment banking firm, most recently serving as Managing Director and head of the firm's life sciences research group. Mr. Tang currently serves as a director of Ardea Biosciences, Inc. and A.P. Pharma, Inc. and serves on the board of two privately held companies. Mr. Tang received his B.S. degree in Psychology from Duke University. Mr. Tang's business address is 4401 Eastgate Mall, San Diego, CA 92121. Mr. Tang is 42 years old.

*Andrew D. Levin, M.D., Ph.D.* Andrew D. Levin, M.D., Ph.D. has served as a Principal at Tang Capital Management, LLC, an investment firm focused on the health care industry, since April 2008. From July 2007 to April 2008, Dr. Levin served as a Business Development Manager at Genzyme Corporation, a pharmaceutical company. Dr. Levin received a B.S.E. degree in Mechanical Engineering from Princeton University, a Ph.D. in Bioengineering from the Massachusetts Institute of Technology and an M.D. from Harvard Medical School. Dr. Levin's business address is 4401 Eastgate Mall, San Diego, CA 92121. Dr. Levin is 32 years old.

Under Delaware corporate law, the Board is charged with the management of the Company, including determining its strategic direction. Tang Capital believes, therefore, that if the Nominees are elected they would be in a position, as directors of the Company, to influence the strategic direction of the Company in accordance with their fiduciary duties.

The Nominees will constitute a minority of the Board if they are elected and, therefore, even if they vote in a coordinated manner, will not be able to cause the adoption of any measure without the support of other members of the Board. Depending on the responsiveness of the Board to any proposals or initiatives presented by the Nominees, Tang Capital may seek to nominate additional directors to the Board at the 2010 annual meeting if Tang Capital believes that additional representation on the Board would make its efforts more effective.

The beneficial ownership of Common Stock of the Nominees is set forth on Annex A under the heading "Information Regarding the Participants in the Solicitation." None of the Nominees have any contract, arrangement or understanding with the Company, or any financial interest concerning the Company other than their financial interests in the value of the Common Stock as set forth on Annex A.

Tang Capital reserves the right to nominate additional persons if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to this paragraph are without prejudice to the position of Tang Capital that any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve would be inappropriate. In the event that any additional person is nominated by us as a result of any increase in the size of the current Board or increase in the number of directors whose terms expire at the Annual Meeting, then such person will be named and information regarding such person will be provided to stockholders in a proxy supplement and revised proxy card disseminated at that time.

**WE STRONGLY URGE YOU TO VOTE FOR THE ABOVE NOMINEES BY SIGNING, DATING AND RETURNING THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PREPAID ENVELOPE PROVIDED WITH THIS PROXY STATEMENT. IF YOU SIGN THE ENCLOSED WHITE PROXY CARD WITHOUT INDICATING YOUR VOTE, YOU WILL BE DEEMED TO HAVE DIRECTED THE APPOINTED PROXIES TO VOTE YOUR SHARES FOR THE ELECTION OF ALL OF THE NOMINEES. IF YOU HAVE ALREADY RETURNED A PROXY CARD FURNISHED BY COMPANY MANAGEMENT TO THE COMPANY, SUBMITTING A WHITE PROXY WITH A LATER DATE WILL REVOKE THE EARLIER PROXY.**

## PROPOSAL 2 – STOCKHOLDER RESOLUTION

Tang Capital is seeking your support at the Annual Meeting to approve the following resolution of the stockholders:

**Now, Therefore, Be It Resolved**, that the stockholders of the Company hereby request that the Board of Directors of the Company promptly take all necessary action to swiftly and orderly liquidate the Company's remaining assets and return all remaining capital to the Company's stockholders.

By approving this Proposal 2, the stockholders can send a message to the Board that the equity owners of the Company favor its liquidation. However, this Proposal 2 is an advisory vote. The Board will not be required to take the actions urged in the proposal even if it is approved by the required vote of stockholders.

None of the Participants has any contract, arrangement or understanding with the Company, or any financial interest concerning the Company other than their financial interests in the value of the Common Stock as set forth on Annex A.

**WE STRONGLY URGE YOU TO VOTE FOR THE ABOVE STOCKHOLDER RESOLUTION BY SIGNING, DATING AND RETURNING THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PREPAID ENVELOPE PROVIDED WITH THIS PROXY STATEMENT. IF YOU SIGN THE ENCLOSED WHITE PROXY CARD WITHOUT INDICATING YOUR VOTE, YOU WILL BE DEEMED TO HAVE DIRECTED THE APPOINTED PROXIES TO VOTE YOUR SHARES FOR THE PROPOSAL. IF YOU HAVE ALREADY RETURNED A PROXY CARD FURNISHED BY COMPANY MANAGEMENT TO THE COMPANY, SUBMITTING A WHITE PROXY WITH A LATER DATE WILL REVOKE THE EARLIER PROXY.**

Except as set forth above, none of the Participants have purchased or sold securities of the Company in the last two years. None of the Participants has ever traded in options, puts, calls, swaps or other derivative instruments relating to shares of Common Stock.

<sup>1</sup> Tang Capital held 2,658,206 shares of Common Stock in an account at Lehman Brothers International (Europe) ("LBIE"). On September 15, 2008 LBIE was placed into administration under United Kingdom law and four partners of PriceWaterhouseCoopers LLP were appointed as joint administrators (the "Joint Administrators"). The Joint Administrators have advised us that most of Tang Capital's shares were rehypothecated. The Joint Administrators and UK counsel have further advised that LBIE's customers will not be able to recover hypothecated shares, but instead will be entitled to a general unsecured claim with respect to such shares. Accordingly, Tang Capital does not currently have beneficial ownership of such shares and has reduced the number of shares of the Company held by Tang Capital to the extent such shares were held at LBIE. Tang Capital does not waive any argument that it is entitled to recover such shares and expressly reserves such argument.
